SPORTING LICENCE AGREEMENT - CONDITIONS OF APPROVAL

Failure to comply with these conditions could result in the withdrawal of future approvals, the recovery of costs and/or the institution of legal action.

1. This Sporting Licence Agreement (Agreement) is issued subject to the Licensee meeting the conditions of approval and conditions of consent and obtaining all necessary approvals of City of Newcastle (CN) and any other relevant authority. e.g. insurances, public liability, traffic management, sound, waste management and WorkCover approvals.
2. CN's Public Liability Insurance Policy covers the respective rights and liabilities of CN and its agents but does not cover any negligence attributable to the Licensee or person acting on the Licensee behalf. Accordingly, CN is to be indemnified for \$20 million against any claims for liability connected with the hirer's use and control of the area. A copy of the Licensee Public Liability Insurance Policy with specific cross liability clause inserted is to be submitted to CN prior to the event / activity with the Application Form.
3. The Licensee is to ensure that service providers for activities associated with this event / activity have Workers' Compensation Cover for their employees.
4. Any assistance required to be undertaken by CN officers for this event / activity outside normal working hours of Monday to Friday 9:00am to 5:00pm, will be charged to the Licensee at the applicable CN rates as set out in CN [Fees and Charges](#).
5. The Sportsground and all licensed areas of land to which this Agreement applies (Sportsground) is to be left in a clean, tidy and litter-free condition at the completion of the event / activity and any additional cleaning or waste removal that is required to be undertaken by CN will be charged to the Licensee at the applicable CN rates as set out in the CN [Fees and Charges](#). The Licensee is to remove all excess rubbish and all large receptacles are to be wheeled and placed on hard surfaces only.
6. The Licensee is responsible for any damage caused by this event / activity to the Sportsground and will be charged for the repair of the Sportsground and all licensed areas at the applicable CN rates as set out in the CN [Fees and Charges](#).
7. Access is strictly limited to the Sportsground and / or facilities on the licence and the Licensee is not permitted to access any other Sportsground or licensed area for the event / activity.
8. The Sportsground is to be opened and closed by the Licensee and the keys returned the following business day after the event / activity and / or as agreed by CN.
9. A Sportsground inspection is to be carried out by the Licensee and referee / umpire prior to the commencement of training or competition. Any problems should be fixed immediately if possible or referred to CN's Park Coordinator. The event / activity should not commence until any problems have rectified.
10. Keys provided to the Licensee are not to be copied; any damage to the keys or associated locks will be charged to the Licensee for the repair or replacement of the keys or associated locks at the applicable CN rates as set out in the CN [Fees and Charges](#).
11. The Licensee must remove all equipment (either privately owned or hired from a third party,) temporary structures, vehicles, and waste from the Sportsground at the conclusion of the event / activity as outlined in this application. Penalty Infringement Notice(s) will be issued to the Licensee by CN Compliance Officers or CN Rangers for non-compliance of this condition.
12. CN does not take responsibility for any loss or damage to the Licensee's infrastructure and equipment associated with your event / activity installed in the Sportsground. All infrastructure and equipment that is on site is at your own risk.
13. If any person or organisation is responsible for bringing into the Sportsground any form of equipment (either privately owned or hired from a third party,) then that person or organisation is to arrange for the removal of that equipment from the Sportsground or amenities on the same day, or it is to remain locked in the Sportsground or amenities until the next normal working day before being removed. Alternatively the Sportsground may be opened outside normal working hours to allow the person or organisation to remove the equipment subject to that person or organisation agreeing to meet the full costs incurred by CN for the 'out of hours call out' as set out in the CN [Fees and Charges](#).
14. The Licensee must ensure that CN is notified in writing of any changes / amendments to the Sporting Licence Application originally supplied to CN.
15. The Licensee agrees to adhere to all reasonable directions or requests given by any authorised officer of CN or members of the NSW Police Service. Failure to do so will result in the termination of the Agreement authorisation.

16. The Licensee is responsible for ensuring that suitable arrangements are made for access by emergency vehicles (e.g. Police, Fire Brigade and Ambulance) through the closed section of road.
17. The Licensee agrees that canned beverages only are allowed to be taken onto the Sportsground and under no circumstances are patrons permitted to take glass bottles or receptacles onto the Sportsground. All food and beverages are to be served in plastic containers.
18. The Licensee agrees that no fires are to be lit on the Sportsground.
19. The Licensee agrees that all barbeques are to be of the suspended type and not placed on the playing field at the Sportsground.
20. When a Sportsground is used by persons who are underage (less than 18 years of age), a responsible person (association, organisation) must be appointed in charge on the Sportsground.
21. A separate application may be required to CN's Event Management section one month prior to the event / activity in respect to the erection and operation of amusement devices on the Sportsground.
22. Enclosed / Enclosure of Sportsground:
 - a) Where an entry charge is to be made at an enclosed Sportsground, or specific use of facilities is required, the rentals and charges are to be separately determined by CN.
 - b) Where use of Sportsground is for social activities without an entry charge and is outside normal working hours, private arrangements are to be made with the curator in respect of the preparation of the Sportsground. Such arrangements are to be made at least one week prior to the use thereof. Please advise CN should you require access to gates on the Sportsground.
23. During the summer season (1 October to 30 March), all training must be conducted at a minimum of 5 meters from the defined cricket wicket square; **cricket wicket square cannot be encroached.**
24. All turf wicket curation equipment is to be acquired, stored and maintained by the user.
25. A copy of the seasonal fixtures list should be supplied to CN for each season / period of the competition.
26. The Licensee is responsible for their Club / Association to register as a member of the Good Sports Program. Please provide documentation with the application for CN's record.
27. The Licensee must not erect, display, affix or exhibit any sign, advertisement, name, notice or hoarding on the Sportsground without the prior approval in writing to CN.
28. A separate licence is required for approval to sell food or refreshments within the Sportsground. Approved vans or constructed canteens only to be used. See EVENT / ACTIVITY CONDITIONS FOR THE SALE OF FOOD AT A SPECIAL EVENT / ACTIVITY OR PRIVATE FUNCTION.

INCIDENT REPORTING:

29. The Licensee is responsible for notifying CN immediately, i.e., within one day after a near miss / incident has occurred. The Licensee is responsible for assisting in incident investigations when required; and providing a witness statement when required.
30. Injury as per CN's WHS Management System - for an incident involving an injury the affected person is identified and details of the injury recorded. If first aid was provided the person providing the first aid should also be identified and any treatment given recorded.
31. Near Miss as per CN's WHS Management System - Near Miss incident/s that could have led to unintended and/or unnecessary harm to a person, and/or a complaint, loss or damage are to be identified and investigated.
32. CN is responsible for the incident being reported into CN's Incident Management System within CN's WHS Management System.

SPORTSGROUND CLOSURE CONDITIONS:

33. CN reserves the right to prohibit the use of any Sportsground in the event of heavy rain, in times of drought, or where damage is likely to be caused.
34. Wet weather refers to a rainfall event which may affect the characteristics of a Sportsground and subsequent use of the Sportsground is likely to cause damage to the playing surface and/or player injury.
35. Any excessive damage caused to the Sportsground from inappropriate use is the responsibility of the Licensee. CN will invoice the Licensee for all damage caused to the Sportsground and / or possible suspension of licence in

instances where such damage is considered to be excessive and greater than would be expected from normal wear and tear. Additionally, any excessive damage caused to the Sportsground from inappropriate use will be charged as per CN's [fees and charges](#) "Use of Sportsground out of season, without approval/licence, closed or in wet weather". CN's decision on whether excessive damage has been caused shall be made by experienced staff and shall be final.

36. Where it is determined by CN that the Licensee has caused excessive damage, repairs to the Sportsground will not be a priority for CN. The licence maybe suspended during any required works / remediation period with the Licensee responsible for sourcing an alternative sportsground at this time; at the Licensees cost. Where it is determined by CN that the Licensee has caused excessive damage, licensing of alternative Newcastle LGA sportsgrounds will not be a priority for CN.
37. **CN's Ground User Information Application** - CN's Ground User Information Application and website provides the most upto-date status of CN sportsgrounds conditions. Monday to Friday (excluding public holidays) the CN Ground User Information Application will be last updated by CN by 2.00pm. From 2.00pm weekdays, if the sportsground is declared open, the sportsground must be monitored closely by the Licensee for any change in condition and re-inspections carried out as necessary. On Saturday, Sunday and Public Holidays all sportsground closures, inclusive for local, district and regional sportsgrounds are the responsibility of the Licensee with sportsgrounds to be assessed by the Licensee against CN's Ground User Information Application. On Saturdays, Sundays and Public Holidays information on sportsground closures is the responsibility of the Licensee via the CN Ground User Information Application.
38. A maximum of two logins will be provided. to the Licensee. The management of these logins remains with the Licensee for the period of licensing.
39. Please visit grounds.newcastle.nsw.gov.au to access CN's Ground User Information Application. On the first occasion, please bookmark the website to install an icon on your device screen for quick access in the future. For all instructions please refer to the attachment, "City of Newcastle Ground Information App" and "How to Bookmark a URL". The ground status is also available to the public at www.newcastle.nsw.gov.au/Groundinfo. CN encourages the Licensee to distribute the URL to members or display the link on your club or associations website.
40. Should wet weather conditions develop, inspections must be carried out throughout the licensed period to ascertain if there is any deterioration to the condition of the sportsground. If excessive damage is noticed, it is the responsibility of the Licensee to cancel further games and/or training with the Licensee to update CN's Ground User Information Application. Any excessive damage caused to the Sportsground from inappropriate use is the responsibility of the Licensee.
41. **SPORTSGROUND OPEN** - The sportsground is declared open; however, the sportsground must be monitored closely for any change in conditions and reinspection's carried out as necessary. If wet weather has been present in the week proceeding, is forecast by the Australian Government Bureau of Meteorology www.bom.gov.au or wet weather conditions develop inspections should be completed throughout the day to ascertain if there is any deterioration to the condition of the sportsground. If excessive damage is noticed, then further games and/or training should be cancelled. The assessments are to be conducted via the CN Ground User Information Application.

SPORTSGROUND CLOSED - The sportsground is declared closed and may not be used for competition or training. Once a sportsground is closed, it will remain closed until a reinspection declares the ground open. The assessments are to be conducted via the CN Ground User Information Application.

*A closure exemption will apply in the circumstance that the cricket wicket only has been closed, in this instance the ground may remain open for training only with the provision activities will only take place outside the cricket wicket square at a minimum distance of 5m from the wicket edge.

**Where the assessment is being carried out for an event, in the circumstance the cricket wicket only has been closed, the boundary around the wicket or covering of the wicket must extend to a minimum of 10m from the wicket edge.

SALES AND CONSUMPTION OF ALCOHOL:

42. For the sale of liquor at the event / activity at the Sportsground and all licensed areas (land to which this Agreement applies,) the Licensee must apply to the Department of Liquor and Gaming for a temporary or permanent function licence. A temporary function licence can be granted for up to three functions per year. If the Licensee would like to sell liquor at more than three functions per year, a permanent function licence must be obtained. The application should be lodged with the nearest Licensing Court registry at least 28 days (temporary function) or six weeks (permanent function) prior to the first function. A copy of the application must be provided to CN and the Commander of the nearest police station within three working days of the application being lodged with the Court. Please note: under the Liquor Act, unlicensed sale of alcohol can incur fines. Under the Liquor Act a person shall not give or sell alcohol to a person under the age of 18 (fines apply). The Department of Liquor and Gaming has imposed mandatory requirements for RSA (Responsible Service of Alcohol) training for

volunteers (this means anyone who serves alcohol from canteens or serves alcohol at any function). As from 1 July 2004, all casual or volunteer members involved in the sale, supply or service of liquor must hold a recognised RSA certificate.
