

## What people LOVE most about our beaches

## Top 4 ACTIVITIES at our beach

- 1 Swimming
- 2 Laying on the beach relaxing
- 3 Walking/running
- 4 Surfing

## What our community told us they LOVED about our beaches

“We love to walk along the beaches, foreshore and out to Nobbys. We also love to take our friends and guests to do the same and we want to be able to park for free.”

“Newcastle beaches have a natural landscape that can be viewed from several spots. Newcastle beaches are surfing beaches that brings users from areas outside the Newcastle precinct. Newcastle is fortunate to have this advantage.”

“Natural surroundings, clean water, friendly people, dolphins, good surf.”

“They are accessible and clean and are an iconic part of the city. Owned by no-one but the people, they epitomise our Australian, outdoor, egalitarian lifestyle.”

“That they're laid back.”

“Clean sand, great lifesavers, good food and coffee, Little Nippers.”

“The cleanliness, accessibility and community. The Bathers Way and the feeling of safety along the beach strip.”

“I love the sand and the rock shelves. I love the clear water and calm days when the waves roll gently to the shoreline. I love the coffee at the kiosk on Newcastle Beach. I love the safety of Shark Alley and the life savers who are ever present. So much to love. I could go on.”

“The fact that they are so close to the city and the fact that they are so picturesque.”
