# BEVERAGES UPON CONSUMPTION

If you prefer to have beverages served upon consumption rather than pay for a package price per person for a designated amount of time, this can be accommodated.

Beverages from our silver package will be served for the duration of your event at a per-glass or bottle price, as served. Settlement of your

beverages is to be paid upon the completion of your event. An itemised Bar Tab will be provided at the conclusion of your event and is required to be settled with the Event Supervisor. Should this invoice not be settled at the conclusion of the event, a post-event account administration fee of \$100 will be charged.
