CONDITIONS OF APPROVAL Any approval granted will be subject to the following general conditions: <ol style="list-style-type: none"> 1. An application must be approved prior to placing the container on CN land. 2. No signage of any sort is supported on shipping containers. 3. The supplier of the shipping container shall indemnify CN against any claim or suit arising as a result of the activity specified in the Application Form. 4. Details of Supplier Liability Policy (endorsed to note Council's interest) shall be supplied to CN, prior to placement of any container. 5. Each container supplied shall be in good condition and properly cleaned prior to delivery. 6. The applicant is responsible for all shipping container repairs and maintenance. 7. CN reserves the right to order the removal of any container despite any prior approval, if such container, or the activity associated with it in the opinion of CN, causes a nuisance. 8. Removal of shipping containers and all remediation works at site is at the cost of applicant. 9. Dangerous or hazardous waste shall not be placed in any container located on CN land. 10. The supplier shall undertake to remove any waste deposited in or around the container, whether by him/herself, or at their direction, or by any other person. 11. Based on assessment of application, a Review of Environmental Effects (REF) may be required. If so, the applicant will be requested to engage suitably skilled, qualified and experienced professionals to prepare and submit an REF. Technical specialists engaged to prepare specialist studies as part of the REF will also need to possess suitable skills, qualifications and experience to undertake those specialist studies. 12. By signing below, the Applicant agrees to all Conditions of Approval, that information provided is true and correct, and if information is found to be false, the application will be cancelled.
