To report a missed collection service or a damaged/missing bin, visit newcastle.nsw.gov.au/waste-requests or call **4974 2000** for RED LID and GREEN LID bins or **4920 1455** for YELLOW LID bins.

Get it right on bin night

Using and placing your bins correctly helps our trucks to service them

Don't place bins under
low-hanging power lines or trees
Our trucks need to lift your
bins up high to tip them

Try to space bins one metre apart
This helps the lifting arm on the truck
to reach in and pick up your bins

Place bins away
from parked cars

Place bins
away from
street poles

05:00

Put bins on kerb
by 5am on your
collection day

Don't overload. Our
trucks can't lift bins
that are too heavy

Don't contaminate.
Only put accepted
wastes in each bin

Don't cram. Your bin
won't empty if it's
packed too tightly

Keep these items out of your bins

Some things don't belong in your kerbside bins. Batteries (and items containing batteries, such as appliances and vapes) can start fires inside collection vehicles and processing facilities. Syringes and medical wastes can endanger staff. Electronic waste and chemicals—such as paint, coolant and poisons—can harm human health and the environment if not disposed of responsibly. Building wastes—such as bricks and concrete—can make your bin too heavy to lift, or cause considerable damage should they find their way into our collection trucks.

✗ Chemicals

✗ Batteries

✗ Heavy/bulky items

✗ Medical waste

✗ Electronic waste

Free drop-off services are available to safely dispose of, or recycle, these wastes. Please call us or visit our website for your nearest options.

Contact us

To report a missed service, damaged or missing bin

Please wait until 4pm to report a missed collection, unless all other households in your street appear to have had that particular bin serviced.
